Overview

This bill regulates security screening systems in general and, specifically, as they are used in correctional facilities.

Section

- 1 Fees for ionizing radiation-producing equipment.** Requires facilities that use radiation producing security screening systems to pay the commissioner of health \$100 for each system in use. This fee is in addition to the \$100 base registration fee.
- 2 Exemption from examination requirements; operators of security screening systems.** Exempts security screening systems used in correctional facilities as well as the operators of these systems from certain statutory and regulatory requirements enforced by the Department of Health.
- 3 Rulemaking.** Authorizes the commissioner of health to undertake rule-making to implement section 2.
- 4 Appropriation.** Appropriates an unspecified amount from the state government special revenue fund to the commissioner of health in 2019.
